#### Main Villa

Thoughtfully designed, the main villa features two guest bedrooms, each with an en-suite bathroom. A sleek bar with an icemaker and beverage cooler complements the open living space, along with a full bath that opens to the pool, a walk-in pantry, abundant custom cabinetry, and a dedicated laundry room with a second refrigerator.

#### Owner's Cottage

A private path leads to the owner's cottage, offering a king-sized bedroom suite with a walk-in closet, custom built-ins, and a luxurious master bathroom with both indoor and outdoor showers. This cottage also includes a private office and a generous covered terrace overlooking the sea.

#### VIP Guest Cottage

Perched just above the shoreline, the VIP guest cottage is accessed via a winding stone path through manicured terraces. Inside, you'll find a comfortable media room with a kitchenette, a king suite with built-in storage, a spacious master bath with indoor and outdoor showers, and two private patios with ocean views.
