BOULDER BEACH

Ref: **18** | Virgen Gorda | 9.600.000€

We would like to unashamedly claim that Spring Bay in Virgin Gorda is one of the most beautiful beaches on the planet. And set amongst the gigantic granite boulders, right in the sand, is Boulder Beach. If your dream is beachfront, it simply doesn't get any better than this.

Boulder Beach sits within over an acre of mature, landscaped, tropical gardens. It offers seven bedrooms and 5 bathrooms in total. The main house provides kitchen, living and dining along with two guest bedrooms.

The Master Bedroom Suite is set in a private Cabana about 10? from the sand. A second Guest Bedroom suite sits just behind in its own private Cabana. Behind the tennis court two further guest suites are elevated to provide yet more stunning views.

And did we mention the large swimming pool on the edge of the beach? And the extraordinary sunsets? Simply breathtaking.

Do we need to say much more? Probably not. We'll let the pictures do the talking.
