

THE WHITE HOUSE

Ref: **31** | Virgen Gorda | 2.750.000€

This traditional family home has an open floor plan which creates a Great Room of comfortable size. White-washed cathedral ceilings open the space for a light airy feel. The drawing room and formal dining area overlook a casual family room and modern kitchen with centre island barstools. A covered porch off the drawing room ties indoor-outdoor spaces for a truly tropical feel. Just off the kitchen another porch accesses a balcony on the upper level for easy enjoyment of the ocean view. Off the kitchen is the spacious master suite with walk-in closet. Off the drawing room are the two guest suites with shared bathroom. A step out from the Great Room accesses the free-form pool and sun deck. Purposefully designed and manicured tropical gardens create a cool tropical retreat. The ample acreage allows for added building if needed.

This offering has the perfect location, just set back from Spring Bay beach for utter privacy but only 30 seconds walk to the pristine beachfront.
